

Shanghai Aladdin Biochemical Technology Co., LTD

Building No. 7, No. 11, Galileo Road, Pudong New Area, Shanghai 201210, China

Specification Sheet

Product Name:	Recombinant Human EGF Protein (FITC)
SKU #:	rp170192
Source:	Recombinant
Specifications & Purity:	EGF-FITC, Active, Pichia pastoris, No tag, 971-1021aa
Concentration:	
Formulation:	Lyophilized
Reconstitution:	This product should be reconstituted in 100 μ L of deionized water to make a 0.2mg/mL stock solution. Prepare working dilution on day of use. Stock solution is stable for about 8 weeks at 2-8 $^{\circ}$ C as an undiluted liquid. Avoid freeze-thaw cycles. Protect fluorescent conjugates from light.
Storage Conditions:	Store at -20 $^{\circ}$ C, Protected from light

Parameter	Limit Values
Appearance(rp170192)	White to faint yellow powder
Flow	Conform
